BOX packing - Wolfram Demonstration Project

Box packing predstavlja uklapanje delova .
[pravougaonika] istih dimenzija u kutiju, oblika
kocke.

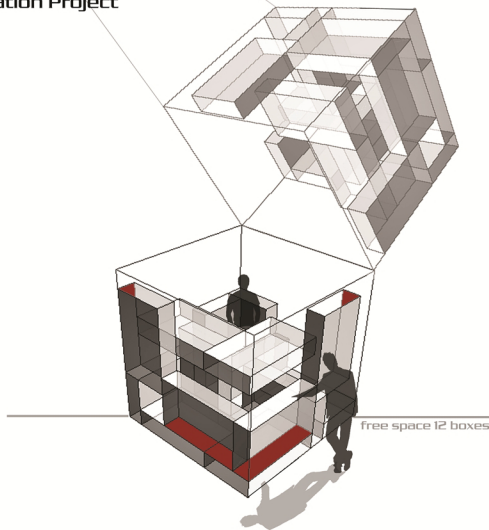

BP je ispunjavanje prostora na jednostavan ,
zanimljiv i atraktivan način.

Box packing ima velike potencijale za
kreiranje forme.

Modeli su napravljeni u Wolfram Demonstration
programu.

Originalan opis ovog programa jeste :

This Demonstration shows the packing of 27
identical boxes with size into a cube measuring
on a side.
