

Introduction to the History of the United States

This course explores the historical development of the United States, from its founding to the present day.

The course is divided into several sections, each focusing on a different period of American history.

The first section covers the early years of the nation, from the 17th century to the 18th century.

The second section covers the 19th century, including the period of westward expansion and the Civil War.

The third section covers the 20th century, including the period of the Great Depression and World War II.

The fourth section covers the present day, including the period of the Cold War and the current political climate.

The course is designed to provide a comprehensive overview of American history, from its origins to its future.

The course is suitable for students of all levels, from high school to college.

The course is taught by a team of experienced historians and scholars.

The course is available in both English and Spanish.

The course is available online and can be completed at your own pace.

The course is free of charge.
