KUĆA ZA ČUVARA PLAŽE

From antiquity to the present, and with an exponential impetus, we have been obsessed with systematically collecting and reorganizing what in effect already exists...

Introduction by Peter Cook

ARCHIVES & ARCHIVING

I'm fascinated by the idea of archiving but I carry the suspicious mind of one who is easily bored...

Archives are not just a record of the past, they are a way of thinking about the future. They are a way of organizing the chaos of the world...

Index 003
